

To: Kimberly Scott
Research Scientist

From: Leigh Firn, MD
Chairman, COUHES

Date of Determination: February 15, 2018

Determination: Not Human Subject Research

We reviewed your standard application titled **Accelerating robust, reproducible developmental research via online testing.**

Since this project is not human subjects research as defined in the Federal Regulations 45CFR46.102(f), and DoD at 32 CFR 219.102(f), COUHES review is not required.

Please contact me if you have any questions.
